Nomination guidelines

All candidates for National Board of Officers positions must follow the below listed procedures. All candidates must list their chapter affiliation on the application.

All applications must be signed, include membership number and chapter affiliation. All applicants will include a letter stating that they will serve in the position they are applying for if elected to the best of their ability.

Incumbent officers must file letter of intent to run for re-election. All positions are voluntary and no reimbursement for expenses incurred in the conduct of SFA business should be expected.

The primary method is to apply to your chapter for their endorsement. The chapter knows you and should be your core backers.

The second method is to run for office by petition. This method requires the candidate to obtain the signatures of three (3) percent of the voting population. All at-large members and any chapter member desiring to run without chapter endorsement may use this method.

At-large members may apply to local chapters for endorsement of their candidacy.

Please note that two (2) of the offices have changed. The assistant secretary has changed to the Director of external communications and the assistant treasurer has become Projects Management Officer. The duties required within the old positions remain as before with additional duties added from time to time by the President with concurrence of a majority of the Board of Officers.

All applications and chapter endorsements must be submitted to National HQ NLT 31 Oct 2013. Required signatures for petition applicants must reach National HQ NLT 31 Dec 2013.

Glenn Dyke
Project Management Officer.
